## **SOMETHING TO THINK ABOUT....**

*“It’s far easier to SHAPE A CHILD than to REPAIR AN ADULT”. Take time to make it a priority this year to apply Biblical principles to parenting, and watch God bring about the growth and the fruit.*

## **HOW ABOUT BEGINNING A NEW TRADITION IN 2019?**

*Sit down with your child for a casual conversation with no real agenda, but to simply be present with them and talk.*

### **Conversation starters:**

*What excites you about the upcoming New Year?*

*What things might you want to do differently or change?*

*What goals do you think we can set and work on together?*

*How can we be more intentional about placing God at the center of the things we do?*

**MAKE FAITH-FRIENDLY NEW YEAR’S RESOLUTIONS !!**

**HAPPY NEW YEAR TO YOU AND YOUR FAMILY**
